

PAINT OSWEGO

What is Paint Oswego?

Paint Oswego provides City of Oswego residents with a selection of historic color schemes to use for painting their homes. In addition, there are grant awards for homeowners that use these historic colors. Homeowners can fill out a simple application, and if the project is completed by Oct 30, will receive up to a **\$2000** reimbursement check in matching funds. Awardees will have a photo of their home featured on the Oswego Renaissance website and facebook page.

Who is eligible?

1. Property owners living anywhere within the City Limits of the City of Oswego
2. One property per applicant. Applications are 1st come, 1st serve.

How do I apply?

3. Fill out and turn in this application when you have decided to apply.
4. *If your application is approved, paint your house using one of the 50 historic color schemes provided in the Paint Oswego historic color booklet. The entire house must be painted using the selected scheme.*
5. Up to 250 possible combinations of colors are possible when using the 50 schemes (see how with the [Paint Oswego](#) booklet). Property owners are also free to rearrange the recommended placements (body, trim, accent) in any manner they choose within a single scheme.
6. Property owners do not have to use all the colors in a scheme, but must use at least three (3) out of the 4 available (body, trim, accent, bonus colors).
7. Send in a digital photograph of the house before and after the finished work, and photocopies of all receipts for paint, supplies or contractor labor. Keep the original receipts.
8. Upon approval, a reimbursement check, for up to \$2000 in matching funds for expenses (minus sales tax), will be issued within 6-8 weeks. This is a 1:1 dollar-for-dollar match. If \$2000 in reimbursement funds is sought, the documented costs (labor and/or materials) must meet or exceed \$4000 (\$2,000 from ORA, \$2000 from applicant). If the entire project costs less than \$4000, the ORA will still match the lower amount (a \$1800 project would receive \$900 in matching funds (\$900 from ORA, \$900 from applicant)).
